Morning Worship

July 14, 2024

***Praise Song** *Wonderful Merciful Savior*

1. Wonderful, merciful Savior
Precious Redeemer and Friend -
Who would have thought that a
Lamb
Could rescue the souls of men?
Oh, you rescue the souls of men!

Chorus:
You are the One that we praise!
You are the One we adore!
You give the healing and grace
Our hearts always hunger for,
Oh, our hearts always hunger for.

2. Counselor, Comforter, Keeper,
Spirit we long to embrace -
You offer hope when our hearts
have
Hopelessly lost the way!
Oh, we hopelessly lost the way!
(Chorus)

3. Almighty, infinite Father
Faithfully loving Your own -
Here in our weakness You find us
Falling before Your throne.
Oh, we're falling before Your
throne!
(Chorus)

Missionary Spotlight

Hatem & Lisa Middle East

Hatem and Lisa's ministry includes producing Christian videos which reach out to people in Muslim areas. What began as a satellite TV outreach primarily has now moved to a focus on using social media. The ability to interact online about Jesus with more people and give follow up support to those who are growing in Christ gives a wider, more focused outreach. Some people are coming to faith for the first time while others are beginning to grow deeper in their faith. As a result of these ongoing conversations, they have developed two discipleship groups, one for new believers and the other one for seekers.

Update:

With so much content online competing for our attention and seeking to influence our worldview there needs to be a voice of hope piercing the darkness in this online space. This is especially true in the Arab world. We believe that voice of hope is found only in the gospel of Christ. In a nutshell, the reason we want to host video schools across this region of darkness and hostility is because we believe we have something worth sharing that is transformational! It is our desire that more Christians across the Arab world be trained in video production, social media outreach, online discipleship, and Christian worldview teaching. This is one way people are hearing the truth!

At the end of June, the students completed their last module on advanced editing and camera work with a Christian worldview topic on the theology of work. Then in August they will meet with their assigned group to film their final project, which will be shown at the graduation ceremony in September! It's a busy time for the students so please pray for them as they finish the school this summer.

We are excited to announce that a Satellite channel in Egypt will offer a 3-6 month internship opportunity for the students after graduation. This will give them more practical experience. Pray the Lord will use them for His purposes in evangelism and discipleship efforts in media.
